EXPERIENCE

Communicant, The Iron Yard, Durham, NC | *Front End Engineer*, Nov 2015
Communicant is a free application that provides an effective communication alternative to individuals not on friendly speaking terms.
- Created, as a Front End team, HTML5 layout, CSS3 and Sass styling for the app.
- Developed the solution for messages and events pages using AngularJS, jQuery, and Ajax, incorporating them into a Rails environment.
- Developed mobile responsiveness and design.

La Caixa, London, UK | *Assistant Manager*, Jul 2005 - Nov 2006
Co-managed sole representative office of La Caixa in the United Kingdom and Ireland.
- Managed the delivery of premium personalize services to clientele.
- Supervised and facilitated communications between local clients and regional offices in Spain providing premium quality relationship management capability.
- Assisted in the generation of leads for new clients.

La Caixa, Alicante, Spain | *Retail and Commercial Financial Services Representative*, Feb 1999 - Jul 2005
La Caixa is Europe's leading savings bank and Spain's third largest financial institution, with a network of over 5.800 branches, with 13 million clients and EUR344 billion AUM.
- Undertook day-to-day operations for branch banking unit with three employees that serviced 1442 clients and EUR29 million in AUM annually.
- Co-managed sale and maintenance of millions of EUR of mortgages, consumer and commercial loans, checking and deposit accounts annually.
- Daily direct client interaction, relationship management and issue resolution.
